# 10 of the best all-inclusive hotels in the Maldives

It's one of the most expensive destinations on the planet, so why not free any money worries and book a resort where everything is covered?

Of all the tropical island destinations in the world, there are few places like the Maldives, its string of picture-perfect islands ringed by pristine palm-fringed beaches and beyond that, crystal-clear turquoise lagoons teeming with an abundance of colourful marine life. Throw in an array of some of the world's most beautiful hotels and life doesn't get better than taking a dip in the warm, shallow waters directly from the deck of your overwater villa, or watching one of the epic sunsets turn the sky a pastel shade of candyfloss pink. From blissful spas to fine dining restaurants and unlimited watersports, the choice can be overwhelming (and some pay-as-you-go resorts budget breaking). So, to ease the stress of bills piling up, here's our pick of some of the best all-inclusive resorts in the Maldives to make the most of your trip to paradise.

## The Residence Maldives Dhigurah, Gaafu Alifu Atoll

The Residence at Dhigurah has a spellbinding edge-of-the-world location, just 40 miles north of the equator in the barely developed Gaafu Alifu Atoll, with horizons that go on forever. It's one of the top options for a Maldives honeymoon, and linked to its older sister island The Residence Falhuumafushi by a wondrous kilometre-long wooden bridge stretching across the atoll (you can spot some epic marine life below). All of the beach villas are spaced well apart, cocooned and with their own patch of cottony white sands. The overwater villas are packed a little tighter together but come with wide decks and ladders leading straight into the Indian Ocean.
