06 THE RESIDENCE DOUZ, TUNISIA

When it opens in the autumn, the second hotel in Tunisia by Cenizaro Hotels will be welcomed by lovers of the desert. Modern, low-lying and set around a giant palm-planted pool, the Residence will enable guests to head into the Sahara and see the cave-like dwellings of Matmata, the salt lake of Chott El Jerid and the dunes where many of the *Star Wars* movies were filmed. The spa will house a huge hammam.
