Those heading on an African adventure with The Residence Zanzibar can embark on a castaway experience like no other. Discover the deserted islands of Pungwee and Kwale in the picturesque Menai Bay conservation area, surrounded by lush mangrove forests and pristine beaches, before diving into the crystal-clear waters to rub shoulders with colourful marine life and coral reefs. After exploring, bask in the sun and enjoy a BBQ lunch consisting of fresh lobster, succulent meats, and zesty salads.

Guests of The Residence Maldives Dhigurah and The Residence Maldives Falhumaafushi can tick off their bucket list with a sunset dhoni & dolphin cruise around the Gaafu Alifu Atoll, one of the largest and deepest in the world, where spinner and bottlenose dolphins reside. As the sun sets in golden hues, sip on champagne whilst cruising alongside the playful mammals for a truly unforgettable evening.

For travelers seeking an otherworldly experience, The Residence Tunis invites guests to follow in the footsteps of a seasoned guide and discover the rich history of Carthage, once one of the most powerful cities in the ancient world. The tour will continue to the quaint coastal town of Sidi Bou Said, weaving through its cobbled streets and blue-and-white houses which frame unobstructed views of the Mediterranean. Partake in a traditional Tunisian teatime at the town's renowned "Café des Delices" and soak up the heady scents, sights and sounds the country is famed for.

Providing a tropical escape, guests of The Residence Mauritius can uncover the secrets of Mauritian cuisine, mastering faratas and vibrant fish vindaye under the watchful eye of the head chef. Cook up traditional dishes with freshly plucked herbs and vegetables from the Earth Basket, a year-round on-site kitchen garden, sustainably cultivated across all of The Residence by Cenizaro properties.
