

CENIZARO CARES

SUPPORT OUR CAUSE
with just a dollar a day

The Cenizaro Cares *Dollar-A-Day* initiative forms part of our corporate Cenizaro Cares sustainability programme with charitable giving that focuses on enhancing the welfare and quality of life of communities-in-need in our locality.

Join us in our efforts to make a positive difference in our local communities where we operate with a donation of a dollar each day during your stay with us.

Your checkout donations will go towards supporting activities which will help nourish and enrich the lives of underprivileged children and families where Cenizaro Hotels & Resorts serves and operates.

All cash donations received will be matched* dollar-for-dollar by us to help drive these charitable initiatives.

You may choose to either Opt-Out or otherwise increase your overall stay donation by informing our colleagues upon checkout.

For enquiries on donations/beneficiaries, please ask any of our colleagues or email us at cenizaro.cares@cenizaro.com

We thank you for your generous donation and support!

**capped at an annual fixed sum*
